

>> Two powerful days that can change everything!

2 - Day Public Workshop For Practitioners in Organizational Change and Development ...

Organizations Alive![®]

~ *CREATING VIBRANT AND REMARKABLE ORGANIZATIONS* ~

- **Organizations Alive!** is a way of understanding the nature and potential of the organizations that you are a part of – government, business, charitable, sports, community, and interest groups.
- **Organizations Alive!** provides a framework for easily and quickly figuring out what's going on; where you spend your time, money, and energy; and how these factors are interconnected and dependent on each other.
- **Organizations Alive!** helps you to see clearly the daily challenges and opportunities that you face – what needs to continue, what needs to change, and what new things are possible.
- **Organizations Alive!** is the solid and practical foundation you need in order to lead, manage, and influence organizational change and development successfully.
